# HOW TO MAKE PAYMENT USING REMITLY

**Step1:** Open <https://www.remitly.com/us/en/india> . Remitly is 2<sup>nd</sup> most trusted after Paypal for transactions. The below website will open: -

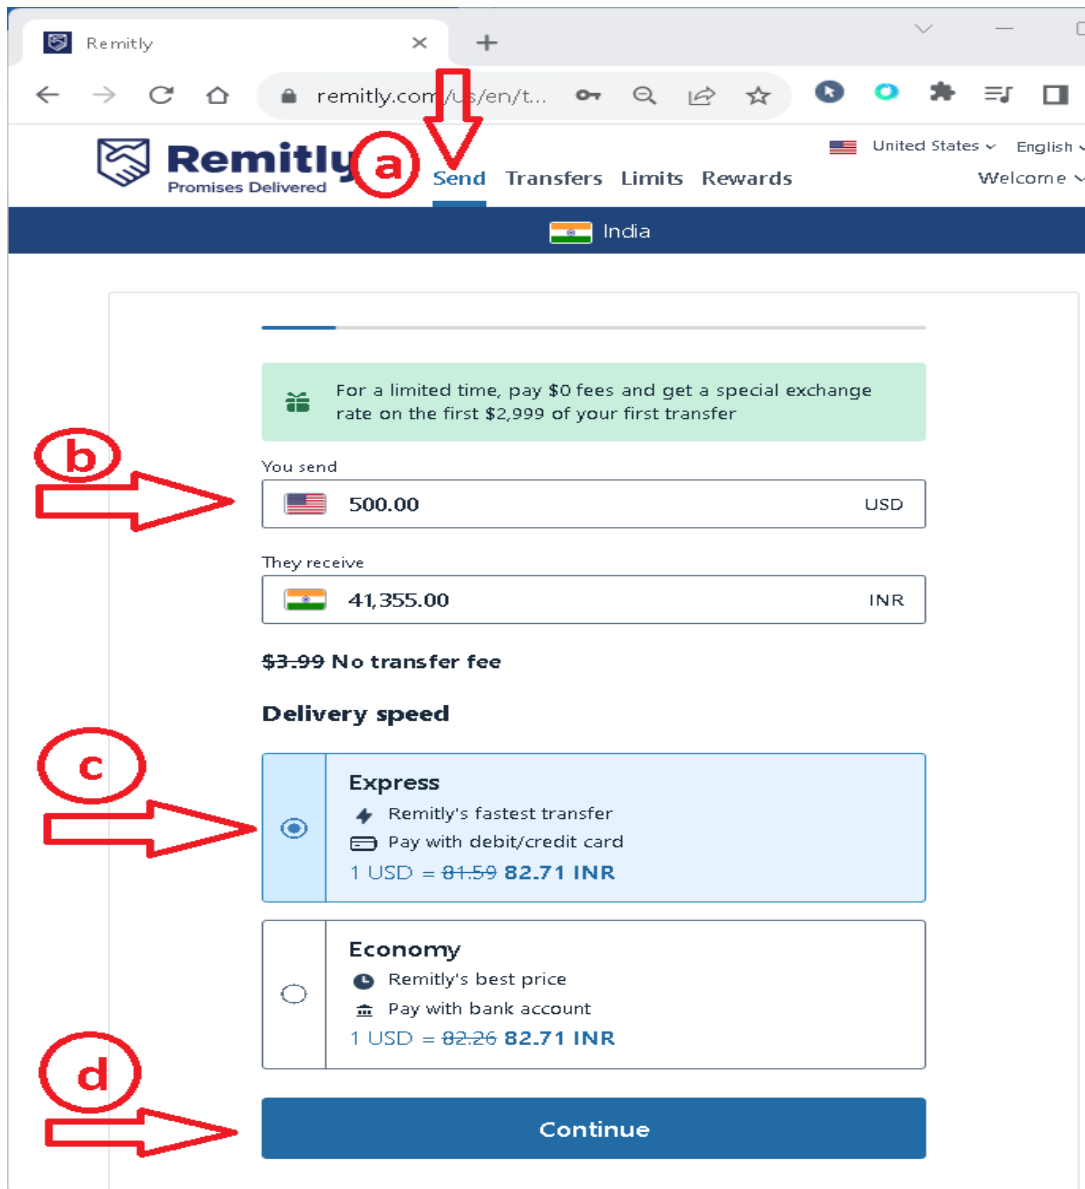

**Step2:** Check and **change** your country if required, as shown below:

**Step 3:** If you already have an account on Remitly, click on sign In (and LoginIn/Sign in with your credentials/email id & Password) or click on Join Now to create a new account. Ensure you are able to Login into your account.

**Step 4:** After login, you will land on the Send/Send Money page (Guidance option (a) in screenshot), as shown below. **Input** the Amount of Money, you need to send as show in Guidance option (b) in screenshot.

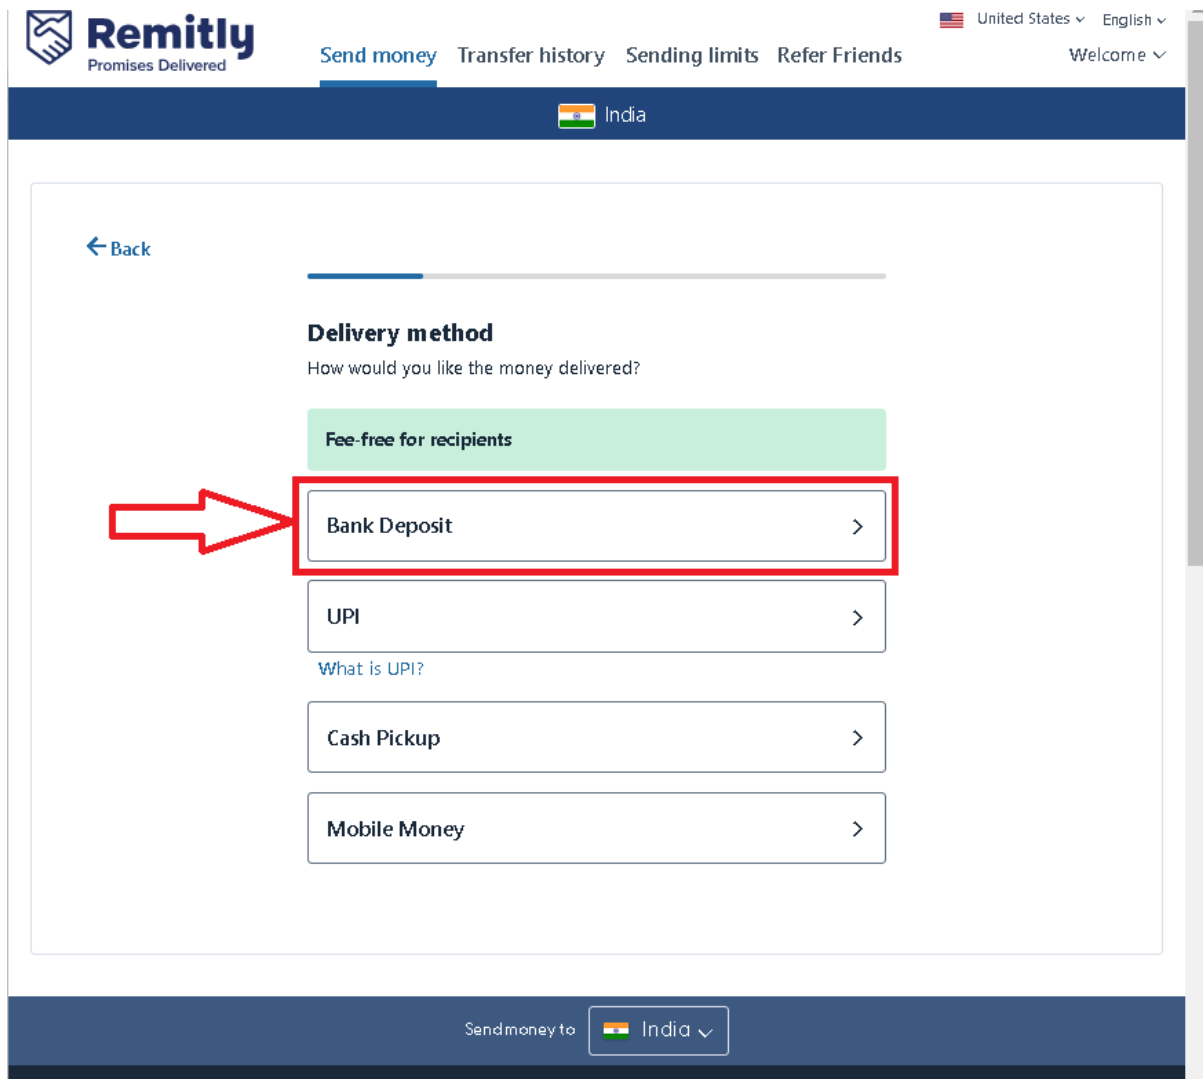

**IMPORTANT: -**

Make sure that you have selected the **“Express”** option under the **“Delivery Speed”** option (as shown in Guidance option (c) in screenshot), otherwise your money can get stuck for a week or more and you may miss the upcoming training schedule.

Click on “Continue” button to move forward as show in the option (d).

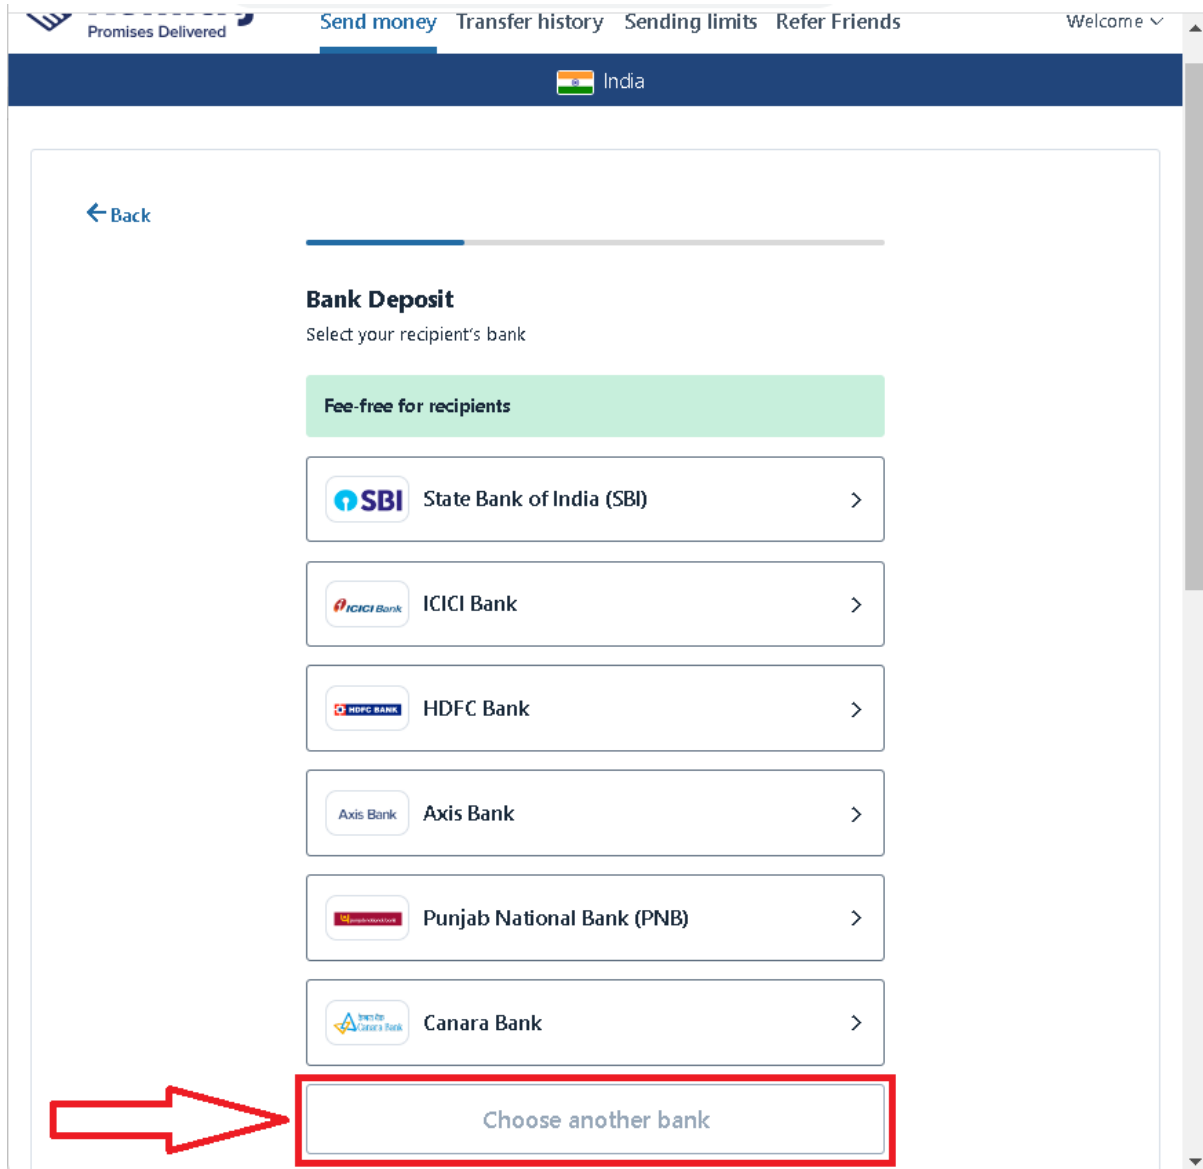

**Note:** - Generally for transfers up to \$2,999 Remitly don't charge you any payment/transaction fee or commission.

**Step 5:** On the next screen select “Bank Deposit” under Delivery method, as shown in next screenshot: -

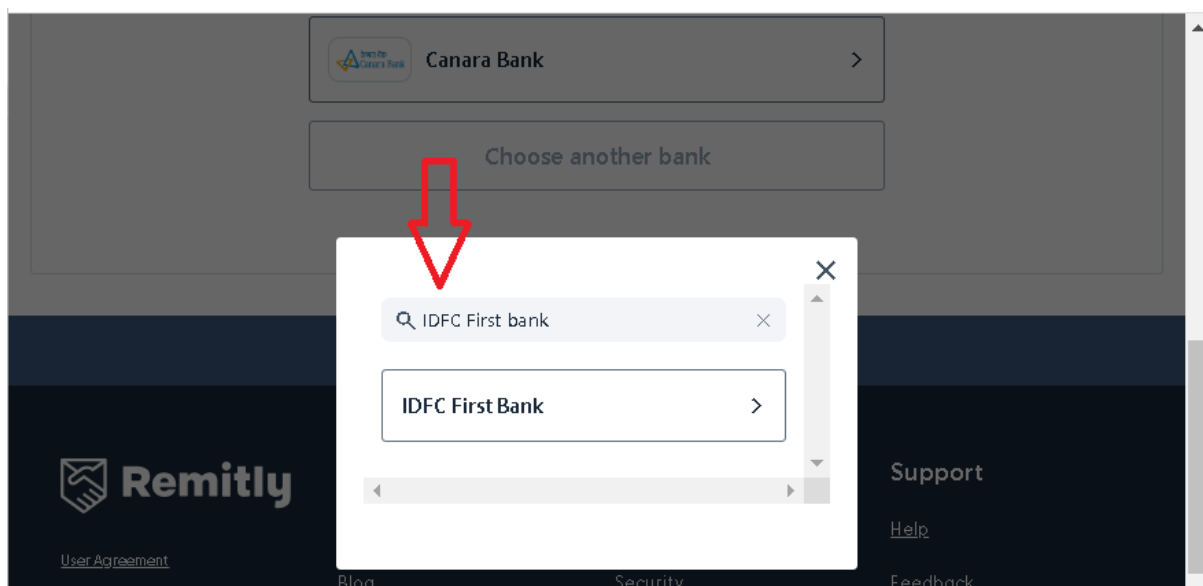

**Step 6:** In next screen, under “Bank Deposit - Select your recipient's bank”

Click on the last option/button – “Choose another bank”, as shown in below screenshot:

**Step 7:** A popup will appear with a search input, search **“IDFC First Bank”**, and you will be able to see and select **“IDFC First bank”**, as shown in below screen.

**Step 8:** On the next screen, Under “**Recipient Bank Details**” you need to carefully input Recipient (my) bank details, as shared below.

Account number: **10042837604**

Branch IFSC code: **IDFB0020107**

Afterwards, click on the “**Continue**” button, to move forward.

Refer below screenshot for guidance.

The screenshot shows the Remitly web interface for sending a transfer to India. The page title is "Recipient Bank Details" and it instructs the user to "Enter your recipient's IDFC First Bank account details." There are two input fields: "Account number (número da conta)" with the value "10042837604" and "Branch code (código da agência) (IFSC Code)" with the value "IDFB0020107". Below the fields is a warning message: "Please verify your recipient's account information. You can lose the transfer amount if incorrect information is provided." At the bottom is a blue "Continue" button. Red arrows point to the account number field, the branch code field, and the "Continue" button.

**Step 9:** Input the Recipient name, as shared below and shown in the screenshot: -
